

SHORELINE

PERIODONTICS & DENTAL IMPLANTS

Gregory A. Toback DMD MS • Marianne M. Urbanski DMD MScD • Daniel Rolotti DMD MDSc

Dear Patient,

I am writing to inform you that after 46 wonderful years, I have decided to retire from the practice of periodontics and dental implant surgery as of July 13, 2022. I would like to thank you for the trust you have placed in me over the years and to let you know that it has been a genuine privilege to serve you.

I completed a merger of my practice with Shoreline Periodontics at the beginning of the year to ensure a smooth and seamless transition for your benefit. I have every confidence that you will continue to receive the highest level of care.

The doctors of Shoreline Periodontics are superb, embrace and lead with technology while providing patient centric care. Dr. Toback is an excellent leader with 24 years of experience, is well published in the perio and implant literature, and is considered a key opinion leader in the perio world. He has shared with me that our practice is his highest priority in making this transition flawless. The newest addition to the Shoreline Periodontics team, Dr. Daniel Rolotti, will be starting in just two weeks and will be an incredible asset to all patients. He was a top prospect coming out of the UCONN periodontics residency program and has 6-years of private practice experience before returning to receive specialty training. I truly believe Dr. Rolotti will be a star in the world of periodontics in the years to come.

Again, it has been a great pleasure knowing and caring for you. Your friendship and loyalty have been much appreciated. I wish you continued good health and all the best in the coming years.

Sincerely,

Larry Gelb, D.D.S.

SHORELINE

PERIODONTICS & DENTAL IMPLANTS

Gregory A. Toback DMD MS • Marianne M. Urbanski DMD MScD • Daniel Rolotti DMD MDSc

Daniel Rolotti DMD MDSc

Dr. Daniel Rolotti D.M.D, M.D.Sc brings superior skills and credentials to Shoreline Periodontics in Esthetic and Reconstructive Periodontics and Dental Implantology. A Philadelphia native, Dr. Rolotti attended undergraduate school at the University of Alabama. He went on to receive his Doctor of Medicine in Dentistry (DMD) from the University of Pittsburgh School of Dental Medicine in 2013. After practicing for 5 years as a General Dentist, he realized he had a passion for periodontics and implant dentistry which motivated him to pursue specialty training in Periodontics at the University of Connecticut School of Dental Medicine.

Passionate about helping others, Dr. Rolotti has volunteered with the Connecticut Mission of Mercy. While in practice, he has always emphasized the importance of putting his patients first and foremost throughout the treatment process. Dr. Rolotti's commitment to using the latest technology and mastering the newest methods in Periodontics elevates his ability to achieve esthetically pleasing and functional results, while also keeping patients comfortable throughout treatment. In fact, he will be pursuing his conscious sedation licensing in CT.
